# COVE HARBOR COMEUPPANCE
A SHORT MYSTERY COLLECTION

Welcome to Cove Harbor,
a little seaside town with a bit of a homicide problem.

Sun, sand, marinas, and murder. That's what you'll find in Cove Harbor, a tiny village on the edge of the ocean.

From the outside, Cove Harbor is your typical small town. Everyone knows everybody's business, but nobody seems able to mind their own. It's one big chowder pot of simmering conflict with waves of unrest deeper than those nipping at its shores.

Main Street swells with life as locals and wealthy tourists alike mingle through the seasons. They stroll over salty sidewalks, sidestepping childhood classmates and beautiful strangers, trails of friends, lovers, and enemies scattered in their wakes.

Imperfection reigns. Sparks fly. And in Cove Harbor, bad things happen to bad people.

Get to know the suspects and victims in these short mysteries as you solve the murders of the unfortunate citizens who got their ultimate comeuppance.
